Strength-

Demand of the subject(History) in the present content.

Weakness-1. Poor attendance of the students
2. lack of departmental Library

Opportunities-

Students are using Library books as per their necessity.

In an ever widening world, knowledge in history can equip a person to feel the temper of any event that is taking place.

The subject has opportunities in teaching profession—both school and higher education level.

It is an important subject for any competitive exam for higher degree or for Governmental jobs.

Challenges- Since, in this region, students are from weak economic backgrounds our challenge is to provide them with modern facilities and a good academic environment to make their future bright.
