## Action taken report on Students Feedback

Based on the feedback received from students of the department of History via Google Form & hardcopy feedback from submissions, a total of 57 students have provided their input. The feedback was analyzed to Identify common themes and areas of satisfaction and improvement.

### 1. Separate Departmental Room Request:

The overwhelming majority of students expressed a desire for separate departmental room as part of their feedback.

2. Departmental Library: A majority of students expressed a desire for departmental library as part of their feedback.

### 3. Satisfaction with Other Points:

Apart from the request for Separate Departmental room & Departmental Library all students indicated satisfaction with the other Points mentioned in the feedback form. This suggests that students are generally content with the overall functioning and offerings of the department.

3. Specific Points of Satisfaction: While the feedback form may have included various aspects for evaluation, the specific points of satisfaction were not provided. However, the absence of negative feedback suggests that students are generally pleased with factors such as teaching quality, course content, facilities, and faculty support.

### 4. Recommendations for Improvement:

The primary recommendation based on the feedback is to Separate Departmental Room, Departmental Library Request for Students. Overall, the feedback from students indicates a positive perception of the departments performance, with a notable interest in the arrangement of separate departmental Room and Departmental Library to enhance the learning experience. This feedback can serve as valuable input for future planning and decision-making within the department.

### Action Taken:

- a. Space Reallocation and Renovation: Existing spaces within departmental buildings are being repurposed and renovated to accommodate departmental libraries.
- b. Procurement of Library Resources: Budget allocations have been made for the procurement of books, journals, and digital resources tailored to the specific academic needs of each department.
