

Balagarh Bijoy Krishna Mahavidyalaya

SSR : Criteria 7.1.2

Geo-tagged photographs of the facilities

Balagarh Bijoy Krishna Mahavidyalaya has facilities and initiatives for :

1. Energy Conservation Measures:

- A. Installation of LED lights
- B. Installation of MCB.
- C. Installation of Automatic Pump Controller

2. Management of the various types of degradable and non degradable waste:

3. Water Conservation:

- A. Water Harvesting Project:
- B. Vertical Filter Chamber With Silt Chamber For Liquid Waste Management:
- C. Automatic Pump Controller:

4. Green Campus Initiatives:

- A. Restricted Entry of Vehicles
- B. Plastic-free Campus
- C. Tree-lined Campus
- D. Tree Plantation Programmes
- E. Garden in the Campus
- F. Paperless Office Initiatives

5. Disabled-friendly, Barrier Free Environment:

- A. Assistive Technology for the Blind Students
- B. Disabled-friendly Movement Facility
- C. Disabled-friendly Toilets

1. Energy Conservation Measures:

A. Installation of LED lights:

The College has changed all the lights in the College building to LED tubes to save energy.

All the lights in the classrooms have LED tubes to reduce electricity consumption.

B. Installation of MCB:

MCB has been installed in all rooms of the college

C. Automatic Pump Controller:

Automatic pump controllers have been installed in our college to save electricity as well as water

2. Management of the various types of degradable and non degradable waste:

The dry and wet waste dustbins have been placed at various places of college campus

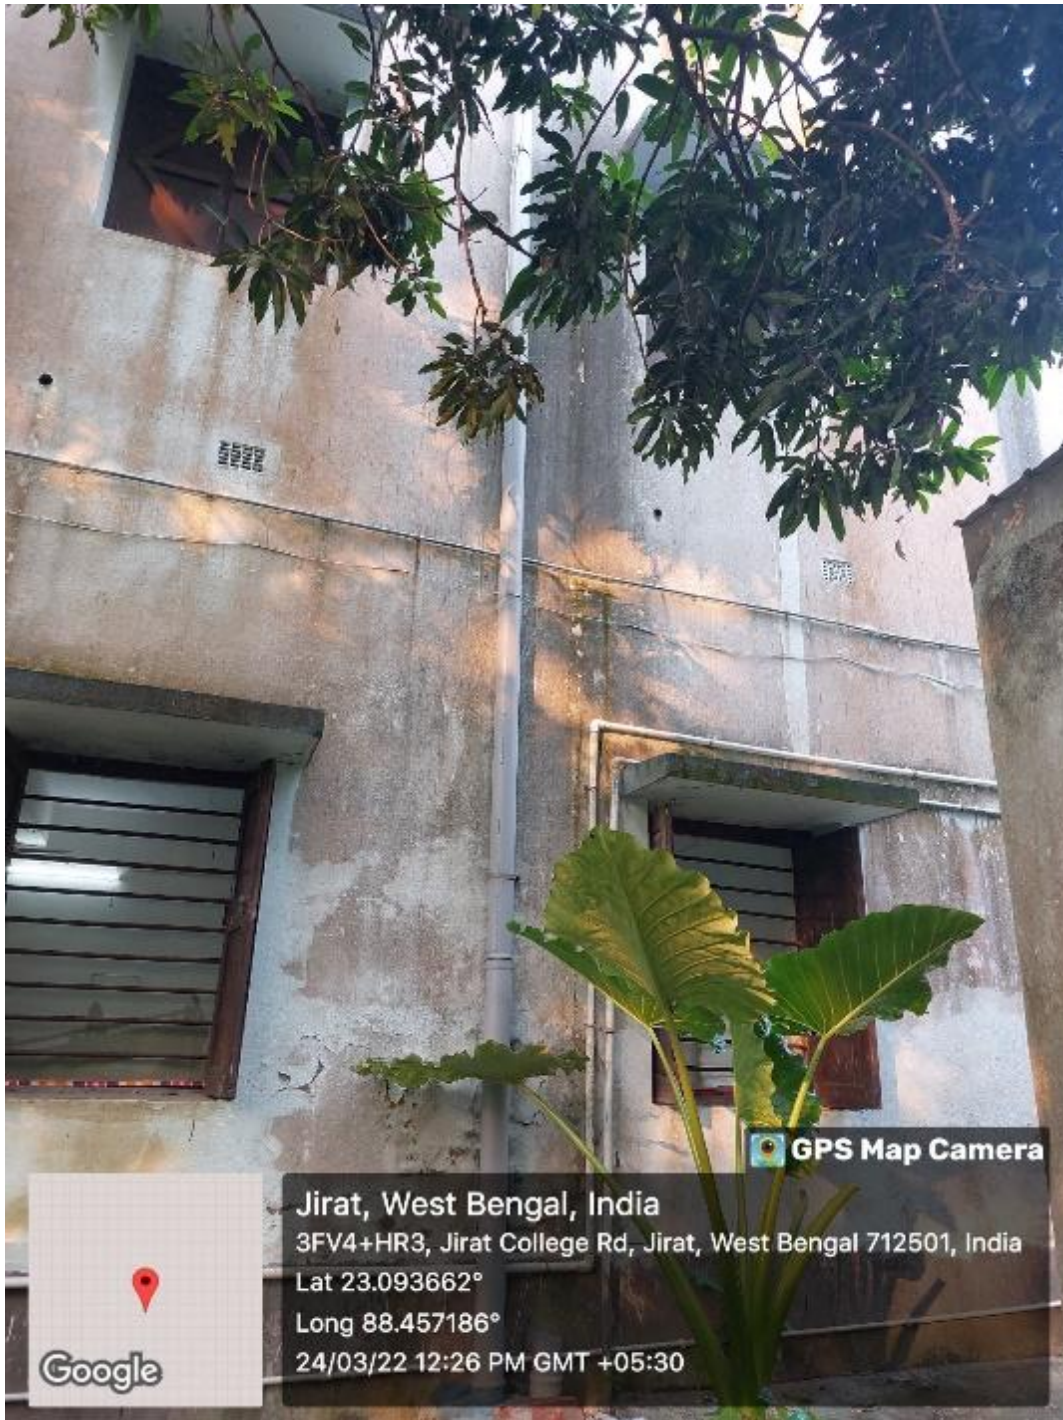

Waste Basket: Degradable and non-degradable (1)

Waste Basket: Degradable and non-degradable (2)

3. Water Conservation:

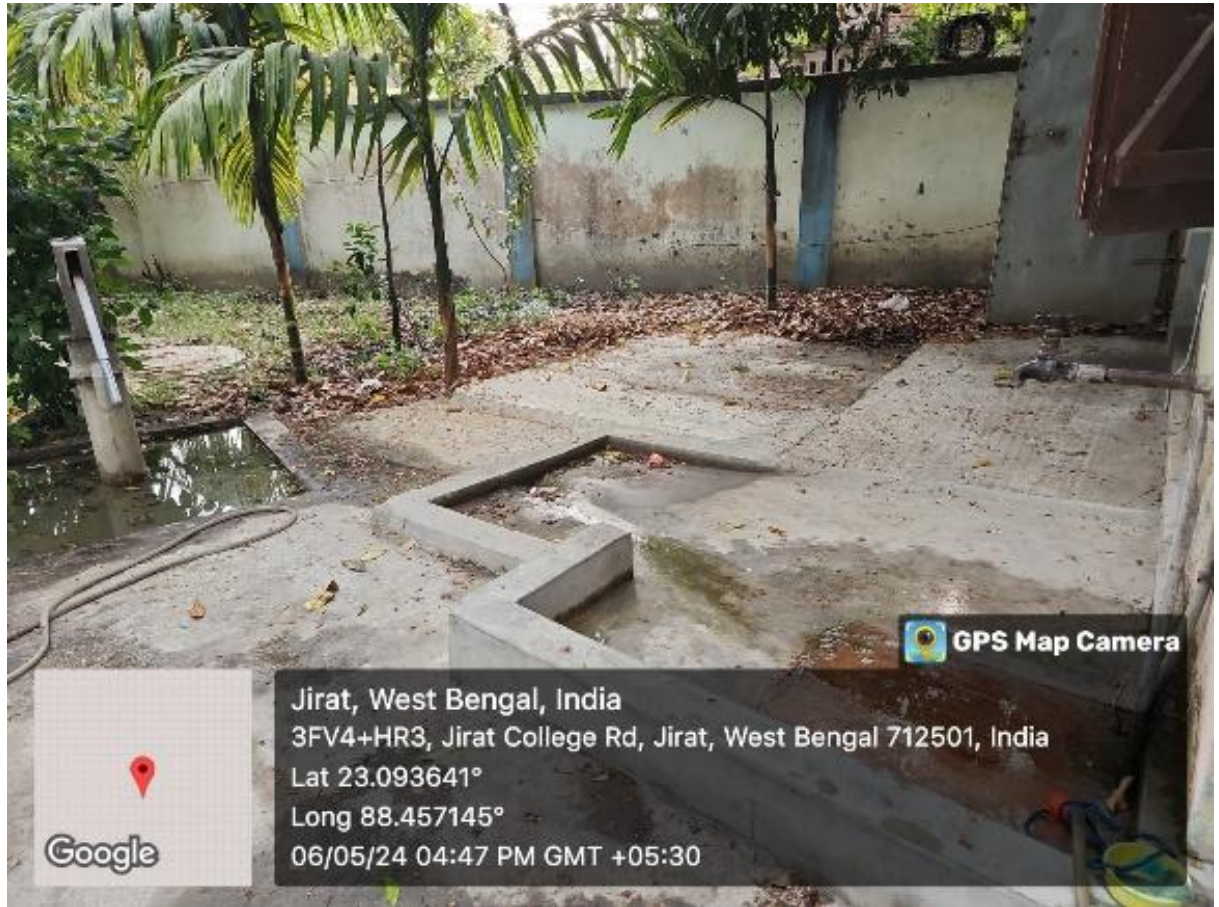

A. Water Harvesting Project:

Collection of rainwater from the roof

This water is collected in a tank after purification and used for watering the plants

Vertical Filter Chamber With Silt Chamber (1)

Garden in the campus

F. Paperless Office Initiatives:

- i) Most of the administrative and academic notices of the college circulated through the college website and whatsapp groups of the students and staff.
- ii) Introduction of “Class Three Digital Signature” to reduce use of paper.

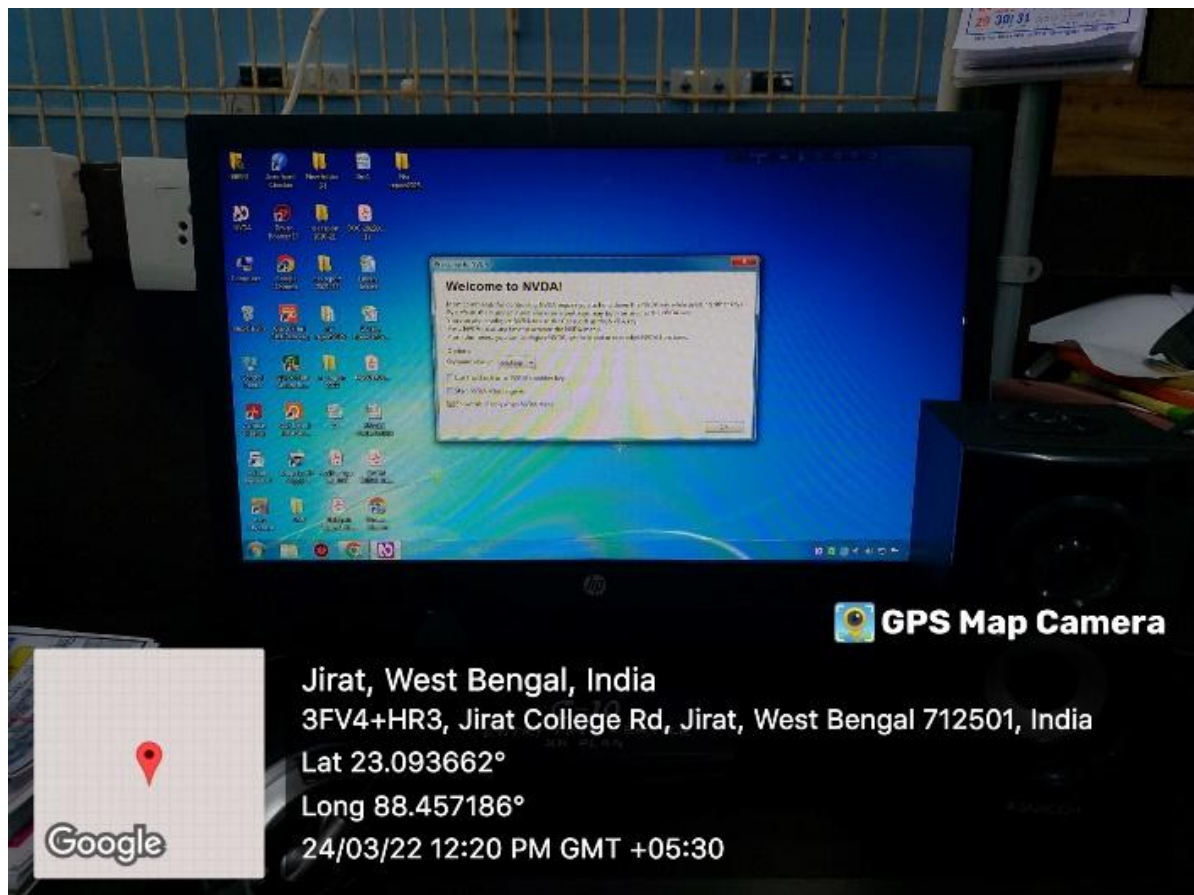

5. Disabled-friendly, Barrier Free Environment:

A. Assistive Technology for the blind students:

Balagarh Bijoy Krishna Mahavidyalaya has always provided a caring and friendly learning atmosphere for the differently abled students. An Assistive Technology for the blind or partially blind students has been installed in the College library. The screen reading software called 'Non-Visual Desktop Access' (NVDA) has been installed. With the help of this software blind students of the Institution can access learning resources available through the internet. The Library Assistant is always present to help the student.

NVDA screen reader has been installed in this computer in the College Library.(1)

NVDA screen reader has been installed in this computer in the College Library.
