The Internal Quality Assurance Cell (IQAC) remains dedicated to the continuous professional development of our teaching staff. IQAC has actively encouraged faculty members to participate in Faculty Development Programs (FDPs). These initiatives are vital for enhancing pedagogical skills, updating academic knowledge, and fostering innovative teaching practices. By promoting active participation in FDPs, the IQAC ensures that our educators are equipped with the latest educational methodologies and technologies, thereby elevating the quality of instruction and enriching the academic experience for our students. This commitment to faculty development is a testament to our institution's pursuit of excellence and sustained growth.
