

## Balagarh Bijoykrishna Mahavidyalaya Action Taken Report on Students' Feedback of 2018-19

### Introduction

This report details the actions taken by [College Name] in response to student feedback received during the Fall Semester 2023. The feedback gathered through a college-wide survey, provided valuable insights into student experiences and identified areas for improvement.

### Key Areas Addressed

Based on the feedback analysis, the college prioritized actions in the following areas:

1. **Textbook Affordability**
2. **Faculty Development**
3. **Extracurricular Activities**
4. **Library Hours**

### Actions Taken

1. **Textbook Affordability:**
  - A partnership was established with the campus bookstore to offer a textbook rental program for a pilot group of courses in the coming session of 2020.
  - The college is exploring partnerships with online platforms to provide access to affordable digital textbooks.
2. **Faculty Development:**
  - A series of workshops on "Effective Communication in the Classroom" were conducted for all faculty members in the year of 2020..
  - The Faculty Development Center will offer ongoing consultations and resources to support faculty in improving their teaching methods.
3. **Extracurricular Activities:**
  - Based on student feedback, a new club focused on literary clubs was established.
  - A student survey is planned for the coming session to gather further input on desired extracurricular activities.

Balagarh, Hooghly, W.B.

#### 4. Library Hours:

- An analysis of student library usage patterns was conducted.
- As a pilot program, the library will extend its hours by two hours during internals and finals weeks. The impact will be assessed for potential permanent implementation.

#### Evaluation and Next Steps

The effectiveness of these actions will be monitored and evaluated throughout the year. Student feedback will be collected again at the end of the semester to gauge the impact of the implemented changes.

Based on the evaluation results, the college will determine if further adjustments or additional initiatives are needed to continuously improve student experience in these areas.

#### Conclusion

Balagarh Bijoykrishna Mahavidyalaya is committed to creating an exceptional learning environment for all students. By actively listening to student feedback and taking concrete actions, the college demonstrates its dedication to continuous improvement. This report serves as a testament to that commitment.

#### Additional Information

- This report can be expanded to include specific details of the implemented actions (e.g., workshop content, resources offered).
- Data on student participation in initiatives (e.g., textbook rental program, new club) can be incorporated into future reports.
