### Sub: Regarding signing of MOU between WWF-India and Balagarh Bijoy Krishna Mahavidyalaya(BBKM)

Dear Madam,

It is our honour to sign MOU between WWF-India and BBKM for implementation of plantation project and we are sending the attached signed copy of MOU herewith. According to MOU, your agency sent concern to provide 100 (one hundred) native plant saplings to our college at a very first round. So, we the members of nature club of BBKM desire to let you know that we examined the whole college campus ground in presence of Sri Naba Kumar Das, the Hon'ble President of West Bengal Nursery Association also a neighbours of this college and as per his guidance we have ensured the favourable space of our college campus for plantation. Besides this, He also suggested some preferable saplings for plantation, considering the soil condition and space. As per experts suggestion we prefer to get some plants in coming days. The Following names of plants are attached here:

**Hedge Plants:** Kamini, Duranta Erecta, Pinwheel, Eugenia, Mini Dwarf.

## BALAGARH BIJOY KRISHNA MAHAVIDYALAYA

Dear Madam,

It is our honour to sign MOU between WWF-India and Balagarh Bijoy Krishna Mahavidyalaya, Hooghly for implementation of tree plantation project. We received 50 (fifty) plant saplings on 19.07.2022 at the first visit of WWF-India team to our college and further 150 (one hundred fifty) native plant saplings on the 2<sup>nd</sup> visit on 06.08.2022 from WWF-India, West Bengal State Office.

In this regard we wish to inform you that we are taking care of the saplings according to your advice and guidance. We are also happy to inform that more than 98% of the saplings have survived. We shall submit an excel sheet stating the details of present status of saplings shortly.

**BALAGARH BIJOY KRISHNA MAHAVIDYALAYA**  
**Report of Tiranga Samman Programme**

Name of the Department(s)	BBKM NATURE CLUB
Title of the Seminar/ Workshop/ Webinar	Tiranga Samman
Name of Convener(s)	PROF. DEBAPRIYA GHOSH, PROF. SOMSHUDDHA MARICK
Collaboration(if any):	
Date, Time & Duration	16.08.2022, (11 A.M-1 P.M)
Name of the Speaker(s) with title of papers (if any):	NA
No. of Participants (Attach list)	<p><b>8 (TEACHERS) 58 (STUDENTS)</b></p> 

**Brief report**

**Objectives:**  
 In many countries, the national flag is a powerful symbol of identity, unity, and pride. Over time, these flags may become worn, faded, or damaged due to exposure to the elements. It is essential to handle the disposal of national flags with utmost respect to maintain the dignity of one's country. So, a move was initiated from the part of Nature Club for Collection of Indian Flag after hoisting on 15<sup>th</sup> August, 2022, from the local area/houses/small vendors.

**Structure of the Programme:**  
 Tiranga Samman campaign was held, where all the nature club teacher members particularly nature volunteers (students) participated and visited local areas/houses/small vendors to collect Tiranga after 3{three} days of Har Ghar Tiranga (National Flag Distribution Program) campaign.

**Outcome:**  
 This significant practice involves the collection of national flags from households and small vendors to ensure proper and respectful disposal. This process is crucial in upholding the

	honor and reverence associated with the national emblem. Citizens are encouraged to surrender their worn-out or damaged flags to designated collection points, organized by this college.

***Balagarh Bijoy Krishna Mahavidyalaya  
Order for Nature Club (Sub-Comm) 2022(Revised)  
Dated- 29.8.22(For Circulation among Nature Club Student Volunteers)***

**JT. CONVENERS:**

***PROF.SOMHSUDDHA MARICK & PROF. DEBOPRIYA GHOSH***

**NATURE Club's AIMS AND OBJECTIVES:**

- THE COLLEGE IS STRIVING TO DEVELOP ITS INSTITUTION ON A SELF – SUSTAINABLE BASIS IN THE AREAS OF POWER, WATER AND CLEANLINESS.
- THE FACULTY, STAFF AND STUDENTS HAVE TO CONTRIBUTE COLLECTIVELY TO DEVELOP AN ECO – FRIENDLY SUSTAINABLE CAMPUS AND DISSEMINATE THE CONCEPT OF ECO – FRIENDLY CULTURE TO THE NEARBY COMMUNITY AND WHEREVER POSSIBLE.
- AWARENESS CREATIONS ABOUT ENVIRONMENTAL ISSUES AMONG STUDENTS AND EMPLOYEES INCLUDING CLIMATE CHANGE.
- MEASURE AND REDUCE ENVIRONMENTAL EMISSIONS/ FOOTPRINTS

A Green Campus is a place where environmental friendly practices and education system jointly promote sustainable and eco-friendly ambiance in the campus. The green campus concept offers an institution the opportunity to take the lead in redefining its environmental culture and developing new paradigms by creating sustainable solutions to environmental, social and economic needs of the mankind. Green Campus status is achieved by making significant progress in cross campus community collaboration under one or a number of the following themes:

- **Green Campus & Biodiversity**
- **Energy**
- **Water**
- **Waste GREEN CAMPUS AND BIODIVERSITY**

**# Noise Level Monitoring**

We take the help of experts, environmentalists and the student community to make this institution to be an eco-friendly educational institution. Efficient use of energy reduces energy consumption.

## **2. MAKES THE CAMPUS ‘GO FOR GREEN’:**

Balagarh Bijoy Krishna Mahavidyalaya is situated in the district of Hooghly, WB, surrounded by green trees. The College has an abundant green garden containing some very rare plants sprawling over a vast expanse of land maintained by the Nature Club in assistance of WWF. This college celebrates Banamahatsab during the month of June each year, after the onset of monsoon. The nature club’s volunteers watering the plants from time to time. The green tree hosts a wide variety of birds, small mammals like bats and squirrels and different types of butterflies and insects. The students of different subjects, English, Bengali, History, Philosophy, Mathematics, Chemistry, Physics, and Economics join in Nature Club.

This College has initiated ‘The Green Campus’ program just a year back. The purpose of the audit is to ensure that the practices followed in the Campus are in accordance with the Environmental Policy adopted by the College. With this in mind, the specific objectives of the audit is to evaluate the adequacy of the management control framework of Environment Sustainability as well as the degree to which the different departments are in compliance with the applicable regulations, policies and standards.

All the avenues within the College gate to college building are therefore adorned with tall trees bearing emerald green leaves and beautiful flowers to create a homogenous feeling amongst everyone within the campus. We have contiuing planting of saplings once again as on 6<sup>th</sup> August, 2022 by the students for adducible greenery within the campus and also inculcate awareness towards nature in their minds. The total program was conducted with active participation of WWF, India, and Kolkata Branch.

### **ENERGY EFFICIENT CAMPUS:**

The focused area of energy efficiency

- Activate power management features on computer and monitor so that it will go into a low power “sleep” mode when you are not working on it.
- Turn off monitor when anybody leaves his/her Table.
- Turn off unnecessary lights and use daylight instead.
- Use LED or compact fluorescent bulbs as much as possible
- Switch off lights and fans in the staff rooms, classrooms, lecture halls and laboratories when not in use.
- Implement solar system to cut down the heavy usage of electricity.
- Avoid the use of decorative lighting.

### **3. FOR WATER SAVINGS:**

Minimize consumption of water – This college already adopted the following policies:

- Repair sources of water leakage, such as dripping taps and showers as quickly as possible.
- Install appliances which reduce water consumption.
- Rain water harvesting.
- Reuse of water coming out from air conditioners for watering of plants in College garden.
- Use an efficient and hygienic water storage mechanism to minimize the loss of water during storage.

### **4. WASTE MANAGEMENT**

This College Waste minimization techniques focus on preventing waste from ever being created, otherwise known as source reduction, and recycling. In this context therefore has

adopted the following policies: • Use more readout material in soft form. Reduce the hard readout material. Use more of e-mail for officially communicating the information needed, online reading etc. • Minimize the use of fertilizers and pesticides in College grounds, opting for the use of compost produced on site wherever possible. **SRIPUR BALAGARH PANCHAYET Collects solid wastes twice in a week.**

### 5. GREEN AUDIT

Introduction of Green Audit can be defined as systematic identification, quantification, recording, reporting and analysis of components of environmental diversity. The 'Green Audit' aims to analyze environmental practices within and outside the College campus, which have an impact on the eco-friendly ambience as well as stakeholders. It was initiated with the motive of inspecting the work conducted within the organizations whose activities can cause risk to the health of inhabitants and the environment. Green audit is a requirement of NAAC, National Assessment and Accreditation Council which is a self-governing organization of India, which declares the Institutional Grade. The College sent letter to the UNIVERSITY OF BURDWAN for executing GREEN AUDIT

### 6. ##### THE COLLEGE ALREADY ADOPTED SOME GREEN INITIATIVE AND ALSO SETS FOLLOWING OBJECTIVES:

1. This College has already prepared Green Environmental policy and has taken efforts for sustainable development on the College campus.
2. The College has reconstituted the team of faculty and student as members of Nature Committee which work to maintain biodiversity on the campus and also participate in preventing pollution in and around the campus.
3. Some of the best practices such as campus cleaning, maintaining tree plantation, introducing plastic free zone, No Horn area, etc., are followed in the campus.
4. College has a plan to install the solar panels in collaboration with WBREDA and with major financial assistance under UGC, CPE Phase II etc.
5. College sets a target for maintaining the disposal of all sorts of **e-wastes and hazardous chemicals wastes** through Public Utilities Services available in Balagarh.
6. College has a plan to conducted Environmental Awareness Programme and workshops for faculty and students, and involved the students in maintaining the cleanliness of the campus.
7. All teaching and non-teaching staff members, students are advised to use recyclable materials for storing their food, water etc., to reduce the wastes.
8. Nature Committee has an objective that Students must acquire some exposure to maintain the People's Biodiversity Register through training, workshop etc., and every year.

**BBKM INITIATED AN IMPORTANT ROLE TO SAVE MIGRANT BIRDS IN  
BALAGARH BLOCK IN JOINT EFFORTS OF NATURE CLUB, ANIMAL WELFARE  
AND NSS**

**PLACE-NATAGARH, SOMRA, HOOGHLY  
DATE- 9 OCTOBER TO 11<sup>th</sup> OCTOBER, 2022**

Migratory birds fly hundreds and thousands of kilometres to find the best ecological conditions and habitats for feeding, breeding and raising their young. When conditions at breeding sites become unfavorable, it is time to fly to regions where conditions are better. Generally as the college is situated in rural area the students are nature loving and fond of animal caring usually, migratory birds fly in the Balagarh Block, Hooghly from abroad to rural Bengal in winter session. On 9<sup>th</sup> October, 2022 the NSS volunteers informed their NSS Program Officer of this college that many migratory birds had arrived in a nearby village in Somra. The villagers are killing and eating several migratory birds. They informed it to the master on the 9<sup>th</sup> October evening over telephone. The college took immediate action to save the migrant birds, as on 10<sup>th</sup> October, 2022 NSS Program Officer, Nature Club senior member and also the Principal of the college along with nature committee student members and NSS volunteers/Animal friendly students & Nature members from the college rushed there and warned the villagers about their bad practices. The college requested the villagers to stop their illegal killing on migratory birds. The college also informed the **Somra Panchayet** about the crisis. The PANCHAYET AUTHORITY took measure immediately to stop the local from such bad practices.

MIGRATORY BIRDS WAS FOUND IN NATAGARH, SOMRA IN THE  
BALAGARH BLOCK, HOOGHLY AS ON 10.10.2022

## বলাগড় বিজয়কৃষ্ণ মহাবিদ্যালয়

জাতীয় সেবা প্রকল্প এবং সেচার দ্বারা পরিচালিত

"আচার্য জগদীশচন্দ্র বসু বৃক্ষ চিকিৎসাকেন্দ্র"

উদ্বোধনের তারিখ- ২১ অক্টোবর ২০২২

উদ্বোধক -

শ্রী নীলাদ্রি সরকার (সমষ্টি উন্নয়ন আধিকারিক, বলাগড় ব্লক)

বৃক্ষ চিকিৎসার সহযোগিতা -

উদ্ভিদবিদ্যার শিক্ষক শ্রী সত্যজি স্যাব্বী (সিরাট কলেজী উচ্চ বিদ্যালয়)

চিকিৎসা কেন্দ্রের কাজ:

১. বলাগড় ব্লকের কোন অঞ্চলে যদি কোন গাছ অসুস্থ হয় তবে চিকিৎসাকেন্দ্রে যোগাযোগ করলে স্বেচ্ছাসেবক এবং বৃক্ষবিদদের দ্বারা তার চিকিৎসার ব্যবস্থা করা
২. কোন বৃক্ষ কেটে ফেলাছে এমন খবর পেলে চিকিৎসাকেন্দ্র সেই গাছ বাঁচাবার জন্য সংশ্লিষ্ট দপ্তরে যোগাযোগ করে গাছকে বাঁচাতে চাইবে
৩. কোন আধুনিক নির্মাণের সময় গাছ না কেটে আধুনিকতার সুযোগ নিয়ে গাছকে অন্যত্র প্রতিস্থাপনের ব্যবস্থা করবে।
৪. পুর প্রজাতির গাছ সংরক্ষণের চেষ্টা করবে কলেজ ক্যাম্পাসে।
৫. বলাগড়ের গাছ গাছালি সংক্রান্ত একটি সমীক্ষা ও গবেষণার ধারাতো নিরন্তর নিজেদের নিয়োজিত রাখবে।
৬. গাছ লাগানোর মাঝে মাঝে তাদের প্রযত্নের ব্যবস্থা করবে চিকিৎসালয়ের সদস্যরা।
৭. বাসায় চাষের ক্ষতিকারক দিকটি নিয়ে নিরন্তর প্রচার করবে চিকিৎসাকেন্দ্র।
৮. স্বেচ্ছাসেবকদের ভেতর গাছ দতক দিয়ে তাদের প্রযত্ন করার প্রতিযোগিতা করবে বছরে একবার।
৯. শীতের সময়ে স্থানীয় নার্সারিগুলোকে নিয়ে একটি বৃক্ষ মেলার আয়োজন করবে চিকিৎসালয়।
১০. মাঝে মাঝে স্থানিক গাছ গাছালি নিয়ে সেমিনারের আয়োজন করবে চিকিৎসালয়।
১১. সরকারের স্থানীয় প্রশাসনের সহযোগিতা নিয়ে বায়ো ডাইভারসিটির বিষয়ে নিজেদের নিয়োজিত রাখবে চিকিৎসাকেন্দ্র।
১২. স্থানীয় মানুষদের ভেতর এবং বিদ্যালয় স্থরে গাছের প্রতি আচরণতা বাড়াতে ছোট ছোট সংগঠন তৈরি করে মানার সংগঠন হিসেবে আচার্য জগদীশচন্দ্র বসু বৃক্ষ চিকিৎসালয় কাজ করবে স্বেচ্ছাপ্রম দিয়ে।
১৩. চিকিৎসাকেন্দ্রের সাথে সরাসরি যোগাযোগ করতে না পারলে যে লম্বনপ্রদিতে ফোন করবেন-

১. ড. প্রতাপ ব্যানার্জী-9830 3437 52, ২. পার্শ্ব চট্টোপাধ্যায়- 8617 0016 14, ৩. দেবপ্রিয়া ঘোষ- 9433 3313 95
৪. সোমসুধা সারিক- 8918 5218 68, ৫. অর্নব ঘোষ- 9609 4000 20

আমাদের স্লোগান হবে - "গাছের সুস্বভাব অর্থ হল পরিবেশের সুখ"।

**Sub: Invitation to remain present as Chief Guest in the Program of World Environment Day Observation Ceremony**

**Dear Sir,**

On behalf of this college, I cordially invite you to inaugurate 'The World Environment Day' on June 5, 2023 at 11 am, as a distinguished advocate for environmental conservation and sustainability, your presence and participation in this significant event will greatly inspire and motivate our global community. World Environment Day is a momentous occasion celebrated annually to raise awareness about pressing environmental issues and promote positive action towards protecting our planet. The theme for this year's event is "Preserving Our Ecosystems for Future Generations." I request you to deliberate a speech for "Growing Consciousness for Plastic Free Environment" also awaking the community for plastic free environment among the students of Nature Club of this college. Your kind cooperation is highly appreciated. We are looking forward for your gracious presence in such occasion.

Sub: Request for revalidation of setting up Grid connected Roof Top Solar PV power plant

Dear Sir,

With reference to your letter vide memo no. WBREDA/93 (2018)926 (4), dated 27.11.2019, I wish to inform you that the WBREDA had approved the setting up Grid-connected Roof Top-Solar PV power plant of PV Array Capacity 20kWp at our College. We had also applied to WBSEDCL and had almost completed the agreement for net metering arrangement. M/S Vikram Solar Ltd visited our roof-top of the college's main building and mapping of solar panel was done by the company. The Agreement regarding **MODALITIES OF OPERATION OF SOLAR PV SOURCE BETWEEN WBSEDCL AND BALAGARH BIJOY KRISHNA MAHAVIDYALAYA** was also settled. However, due to the onset of Covid 19 Pandemic in March 2020 and the long closure of the College following Government orders, the project could not be started. After reopening of the College in 2022, we had contacted M/S Vikram Solar Ltd., the agency deployed to execute the project. But the agency replied that it could not complete the project.

However, after receiving verbal assurance from your end that the project could be executed since it has already been approved, we are hopeful that we can still get the project done. We hereby submit all the documents again. I would like to inform you that the College is preparing for NAAC accreditation and therefore it would be helpful if the project could be executed in an urgent manner.

Therefore, please do the needful and oblige.

With regards,

Recommended  
Smriti Chakraborty

Yours sincerely,
