

- Name: UDAY GHOSH
- Date of Birth: 02-12-1986
- Department: PHYSICS
- Date of Joining: 02.09.2009
- Teaching Experience: 14 YEARS
  
- Brief Introduction: I am engaged in undergraduate teaching and research as well. I teach basic physics theories and practical.
- Biography: : (Your educational background.): I have completed my B.Sc.( Honours) in physics from Kalyani University and M.Sc. degree in physics from Gur Ghasidas University, chhattisgarh, in the years 2007 and 2009 respectively.
- Academic Activities/Duties: Good reputation as a skilled examiner in both practical and theoretical areas in various paper of undergraduate course of University. Actively involved in question paper setter of various paper of physics in different University.
  - Teaching Area: Teaching areas encompass foundational physics courses in mechanics, electromagnetism, thermodynamics, quantum mechanics, optics, waves, fluid mechanics, solid-state physics, nuclear and particle physics, and engineering applications. These courses equip students with essential knowledge and problem-solving skills for success in their academic and engineering endeavors.
- Orientation Programme/ Refresher Course/ Short-Term Course: NA
  
- Administrative Experience(if any): NA
  
- Research Experience and Topic:
  
- Academic Memberships: N A
  
- Vidwan Id.: NA
  
- Social Contribution: NA
