### Annual Report of Anti-Ragging Cell (2022-23)

#### Introduction:

The formation of the Anti-Ragging Cell at our college was driven by the sincere aspiration to cultivate a nurturing and safe atmosphere within our campus. Recognizing the importance of fostering a conducive learning environment, we embarked on a journey to eradicate the menace of ragging and ensure the holistic well-being of our students.

#### Awareness Initiatives:

Throughout the academic year, we organized several initiatives to raise awareness about the perils of ragging. At the onset of each academic session, an anti-ragging awareness program was conducted during the admission process. Furthermore, in compliance with UGC guidelines, all students were required to fill an anti-ragging undertaking declaration, affirming their commitment to maintaining a ragging-free campus.

#### Educational Outreach:

Anti Ragging Squad regular visits to each classroom were undertaken with the aim of sensitizing students about the grave consequences of ragging. These interactions served as platforms for open dialogue, where students were encouraged to voice their concerns and seek guidance. Additionally, posters elucidating the detrimental effects of ragging were prominently displayed on notice boards across the campus, serving as constant reminders of our zero-tolerance policy towards ragging. Students were reminded that the Anti-Ragging Cell, spearheaded by a dedicated coordinator, stands ready to offer assistance and support whenever needed.

#### Incident Report:

I am pleased to affirm that throughout the academic year 2022-23, there were no reported incidents of ragging within our institution. This commendable achievement stands as a testament to the collective efforts of our faculty, staff, and students in upholding the values of respect, dignity, and camaraderie.

#### Conclusion:

As we reflect on the accomplishments of the Anti-Ragging Cell over the past year, we are filled with a sense of pride and gratitude. However, our commitment to creating a safe and inclusive learning environment remains unwavering. Moving forward, we pledge to continue our proactive efforts in fostering a culture of mutual respect, empathy, and compassion among all members of our college community.
