Annual Report: Anti-Ragging Cell (2023-2024)

Introduction:

The Anti-Ragging Cell at Balagarh Bijoy Krishna Mahavidyalaya was established with the noble objective of fostering a safe and nurturing environment conducive to learning. Rooted in our commitment to student welfare, the Cell embarked on a mission to eradicate the scourge of ragging from our campus, thereby promoting a culture of respect and harmony among peers.

Awareness Initiatives:

Throughout the academic year, the Anti-Ragging Cell conducted a series of initiatives aimed at raising awareness about the hazards of ragging. At the commencement of each academic session, an anti-ragging awareness program was organized during the admission process, enlightening incoming students about the detrimental effects of ragging on both individuals and the community. Moreover, in adherence to UGC guidelines, all students were required to sign an anti-ragging undertaking declaration, reaffirming their commitment to upholding a ragging-free campus environment.

Educational Outreach:

The Anti-Ragging Squad diligently conducted regular visits to classrooms, engaging students in meaningful discussions about the severe repercussions of ragging. These interactions provided a platform for students to express their concerns and seek guidance, fostering an environment of open communication and mutual support. Additionally, informative posters were prominently displayed across the campus, serving as constant reminders of our zero-tolerance policy towards ragging.

Incident Report:

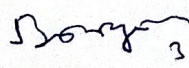

I am pleased to report that during the academic year 2023-24, there were no reported incidents of ragging within our institution. This noteworthy achievement reflects the collective efforts of our faculty, staff, and students in upholding the principles of respect, dignity, and solidarity. It stands as a testament to our unwavering commitment to creating a safe and inclusive learning environment for all members of our college community.

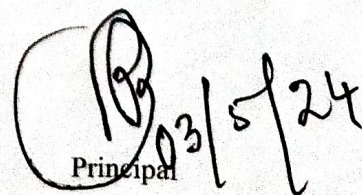

Observation of Anti-Ragging Day:

In accordance with the advisory of UGC, New Delhi, the Anti-Ragging Day was observed on 12th August 2023, at Balagarh Bijoy Krishna Mahavidyalaya. This significant observance serves as a poignant reminder of the importance of raising awareness about the hazards of ragging and the legal consequences associated with such acts. Moving forward, we are committed to observing Anti-Ragging Day every year, as advised by UGC, to reaffirm our commitment to eradicating ragging from our campus and promoting a culture of mutual respect and empathy.

Conclusion:

As we reflect on the achievements of the Anti-Ragging Cell over the past year, we do so with a profound sense of pride and gratitude. However, our work is far from over. We remain steadfast in our dedication to fostering a safe, supportive, and inclusive learning environment for all members of our college community. With unwavering determination, we pledge to continue our proactive efforts in combating ragging and nurturing a culture of respect, empathy, and compassion among our students.
